ABOUT US

MSF Group of Companies having been established in excess of 15 years in Dubai.

MSF Group is a specialist in all forms of system scaffolding. Coupled with our ever-increasing number of directly employed scaffolders, all of whom are trade tested, certified, and trained to the highest standards of their craft, thus allowing the company to offer a superlative service. All artisans are available for hire on an hourly basis. As and when extra manpower is required, our professional staff will arrange further manpower in the shortest possible time, as permitted under current regulations and controls.

Every member of our team of professionals and qualified administrative staff are competent and fully committed to providing our clients with accurate, creative and cost effective advice, which will give the best method of creating scaffolding as required, including, but not restricted to extraordinary load bearing platforms with health and safety issues relating to the use of scaffolding materials. We pride ourselves on our complete and in depth knowledge of the erection of scaffolding and the regulations applicable in both home and international jurisdictions.

We are distinguished from other scaffolding companies by offering a complete turnkey scaffolding solution. We are in a position to quote for and undertake scaffold requirements from conception through to completion, and look forward to receiving contracts covering all of your scaffolding needs, be it a two week requirement, or two years to completion. You can be confident that MSF Group will provide you with the highest quality materials, whether they are off-the-shelf or custom-made. Coupled with outstanding customer service, superior product knowledge and our team's collective years of expertise, you can be assured that whatever your scaffolding needs, MSF Group can help.

EQUIPMENTS

All our scaffold equipments conform to European norms and British Standards. All scaffold equipments are thoroughly quality checked regularly inspected. Our stocks include scaffold tubes and fitting, system scaffold, scaffold boards, scaffold castor, scaffold ladders, staircase tower, aluminium towers, formwork scaffolds, etc

MANPOWER SUPPLY

We provide highly qualified professionals and skilled labours to support with the best top, middle and lower level workforce in a short, medium and long term basis. We provide manpower in our sponsorship to reduce the worries of our customers about compensation, insurance, labour law and accommodation of their employees. Thanks to our unflinching commitment to the best interests of the businesses and job seekers, we have gained the reputation of being a reliable, fair-minded and straightforward legal manpower supplier.

We provide exclusive and qualified workforce for all sectors like, Oil and Gas, Mechanical Construction, Civil Construction, Electrical, Marine & Ship, Manufacturing, Power and Desalination plant & Logistics.

OUR MISSION STATEMENT

MSF Group is a leader in providing value-added scaffolding services to our customers in the United Arab Emirates, by creating a successful partnership with them throughout the construction process and beyond. Our pledge is to establish a lasting relationship with our clientele by exceeding expectations and gaining their trust through exceptional performance by every member of the construction and office teams.

Our mission is for the growth and expansion of our business, with concern for health, together with safety and the environment. This we establish by conducting our dealings openly and with integrity, whilst upholding the cultures, values and traditions of the communities and industry in which we serve.

To be the leading provider of scaffolding, related products and services in the UAE. Our aim is to continually implement and maintain the highest level of quality, integrity, dependability and efficiency in the services that we provide to our valued customers.
